

ABOUT US

The "Bishvil Ha-Ivrit" Program

"Bishvil Ha-Ivrit" is a cutting edge Hebrew language program, bringing Hebrew alive with print and digital media and face-to-face and virtual training for Hebrew teachers

Hebrew language learning

The program cultivates all aspects of Hebrew language learning - grammar and content, conversations and literature, poetry and factual information, drills and exercises and topics for lively discussion, songs and moral dilemmas, writing assignments and independent reading, current events and Biblical texts.

The Materials

The program offers materials for all Hebrew levels, from beginners to advanced. The materials introduce students to Hebrew of all historical periods: biblical, rabbinic, medieval, enlightenment and modern.

The Technology

Technology enhances and supports learning with audio recordings, interactive technology, documentary films, and more. As students speak, read, write, and listen to spoken Hebrew, they encounter new viewpoints on daily life in Israel, Jewish tradition and history, and general world knowledge.

Schools

Curriculum and Materials

The "Bishvil Ha-Ivrit" curriculum and materials encourage an ongoing and dynamic interaction between content, linguistics, and skill development. They offer a wide variety of genres - prose and poetry, conversations, interviews, articles, notes, questionnaires and more; opportunities to master the 4 communicative skills -reading, writing, listening and speaking; and a sequential progression of grammar and linguistics.

Active linguistic ability is built gradually along a sequential progression of increasing length and complexity of texts, richer vocabulary and greater syntactic complexity.

The curriculum is made up of:

Mechina (fully online module)

Beginners (Bishvil Ha-Ivrit 1 and 2)

Intermediate (Bishvil Ha-Ivrit 3 and 4)

Advanced (Bishvil Ha-Ivrit 5, online module on Freedom and NETA Books 22-25)
